

# CATALYTIC CONVERTER TYPE APPROVAL

## In a Nut Shell

**Introduction of R103 Type Approval WILL have a direct affect on YOUR business**

**It is illegal to sell or fit a non approved cat to vehicles registered after 01/03/2001 (Y Reg)**

**All non approved cats have to be labelled preventing fitment to cars post 01/03/2001**

**All Type Approved cats must be supplied with**  
- Application details  
- If the vehicle has OBD  
Indelible marking of approval number visible when fitted  
- Fitting Instructions

**Fines can be imposed of up to £5000 per breach**

**FPUK has the largest range of Type Approved cats in the UK**

**FPUK premium cats offer resolution to "light-on" issues and are supplied with a comprehensive warranty**

## Make Sure You're Covered

Your local stockist

Remember Fuel Parts UK have the largest range of Type Approved catalytic converters in the UK. All Type Approved converters come with original EC Regulation 103 certificate of conformity. **To read the full legislation visit [www.r103.info](http://www.r103.info)**
